

Overdosed - Cosmosys Exhibition XIII

by PAULOVZ Thu, 21/04/2016 - 13:08

The Cosmosys Art Collective is really proud to release Cosmosys XIII – Overdosed. We now show you our full and overwhelming newest artpack, 'OVERDOSED'. Our artists interpreted the state of an 'overdose' in varying ways, via the media of poetry to photography up to digital art. Our result is this new Exhibition. Enjoy!

To view the entire Exhibition visit OVERDOSED.
